

gascoigne | consulting

a youthful and dynamic firm for all your accounting and tax needs
working with you as a business partner to achieve your financial goals

We specialise in working with small to medium sized family businesses to achieve the following:

- Ensuring income tax, GST and other business obligations are kept up to date
- Monthly or quarterly bookkeeping services
- Informing of the latest information on tax legislation and other legislation affecting small businesses
- Providing benchmark comparisons (both industry and ATO's recently released business benchmarks)
- Assisting in determining the correct charge-out rates & breakeven levels of sales
- Assisting with preparation and monitoring of budgets and cashflows
- Attending your business premises for quarterly or monthly management meetings
- Conducting tax planning sessions prior to 30 June to formulate tax saving strategies
- Provision of tax, accounting and administration services to self managed superannuation funds
